Introduction to IPSC Shooting

Cherokee Gun Club

1700 Candler Road (Ga. Hwy. 60)
Gainesville, GA
Saturday, April 2, 2005

Required equipment:

- Safety glasses
- Ear protection (muffs or insertable plugs)
- Any semi-automatic handgun, 9mm X 19 or larger caliber†
- Magazines (minimum of 4 recommended)
- Strong-side belt holster*
- Magazine carriers (optional)
- 250 rounds of ammunition

* No cross draw or shoulder holsters are allowed

† Any of the popular models of Glock, Sig, S&W, H+K, Springfield Armory, etc.

If you do not have a handgun and wish to take the course we can provide you a loaner gun. Please notify us as soon as possible so that we can be sure to have the required number of guns, magazines, etc. on hand.

As a course participant you will be invited to shoot a 4-stage match with us on Sunday afternoon following the class where each student will be paired with an experienced IPSC shooter to provide further one-on-one coaching in a match environment.
